CHILL TURF

Chill Turf is the coolest invention since turf! Chill Turf's patented technology soaks up the humidity from rain or dew and gradually evaporates the humidity when the temperature rises, keeping the turf cool! This luxurious and lush turf is comprised of a high pile height and enormous density to achieve a long-lasting, rich appearance.

Total Pile Height: 1.67"

Weight: 80 oz

**Pile Material: 100% PE
monofilament w/ PP
rootzone**

**Primary Backing: 100% PE, UV
stabilized**

Machine Gauge: 3/8"

Roll Width: 13.2 feet

Infill Ratio: 1-1.5 lbs

Drain Rate: > 30 inches per hour

**Quality: Free of heavy metal
and toxics**

- Reaches 15-25% Lower Temperatures with No Additional Additives
- Non-Shinny
- Natural Appearance
- Resilient double C shape blade
- Pet, Children & Skin Friendly
